PROFESSIONAL EXPERIENCE

Comcast / Xfinity, Remote

April 2022 - Present

Sales Representative

- Use CRM tools and internal systems to review account data, document customer interactions, and support sales workflows.
- Assess customer needs and recommend internet, TV, and mobile solutions based on account context and current offers.
- Apply changing promotions, policy updates, and internal documentation to customer conversations with accuracy.
- Support teammates by clarifying system questions, internal procedures, documentation, and offer-related processes.
- Build transferable skills in customer operations, process interpretation, account review, communication, and issue investigation.

Harte Hanks, Remote

February 2021 - January 2022

Customer Service Representative

- Resolved customer inquiries through clear communication, issue investigation, and accurate routing of requests.
- Reviewed and categorized email inquiries to support accurate and timely resolutions.
- Developed high-volume communication experience and process-focused customer support skills.

SELECTED PROJECTS

Calculator API

- Built a FastAPI service with user registration, PostgreSQL storage, calculation history, Docker, testing, and CI/CD.

CAPSIM Andrews Company Report

- Analyzed sales, market share, costs, profit, cash flow, product strategy, and future goals in a business simulation.

Movie Rental Database

- Created an Oracle SQL database with relational tables, keys, constraints, sequences, sample data, views, and an index.
