PROFESSIONAL SUMMARY

Sales and customer operations professional with 5+ years of experience, including 4+ years at Comcast. Brings frontline knowledge of products, promotions, account systems, and customer needs, supported by hands-on Excel reporting, business analysis, and process documentation. Known for clear communication, accuracy, and helping teams navigate changing information.

CORE SKILLS

Sales operations support | Cross-functional communication | Excel reporting and performance tracking | Prioritization and organization | Product and promotion communication | Customer experience | Process documentation | Microsoft Power Automate | Tableau | SQL | ServiceNow

PROFESSIONAL EXPERIENCE

Comcast / Xfinity | Sales Representative | Remote | April 2022 - Present

- Review account information, document customer activity in internal systems, and recommend internet, TV, and mobile solutions based on customer needs and current offers.
- Interpret changing promotions, policies, and internal guidance accurately in customer conversations.
- Use internal resources to resolve questions and keep sales work moving; help teammates clarify procedures, system questions, and offer-related processes.
- Use Microsoft Power Automate and basic scripting to schedule Teams messages and automate routine emails.
- Manage high-volume customer interactions while balancing account details, documentation, and follow-up.

Harte Hanks | Customer Service Representative | Remote | February 2021 - January 2022

- Investigated and resolved customer inquiries through clear written and verbal communication.
- Reviewed, categorized, and routed email requests to support accurate and timely responses.
- Managed competing priorities while maintaining clear issue documentation and consistent handoffs.

SELECTED PROJECTS

Sales Performance Tracker | Excel

- Built a workbook to organize daily sales activity, product results, account notes, goals, and performance summaries.
- Standardized inputs and automated routine cleanup while preserving summary information for ongoing review.

Sales and Strategy Analysis | CAPSIM

- Analyzed seven years of sales, market share, costs, profit, cash flow, and product strategy to evaluate performance and recommend next steps.

Knowledge Management and Documentation | ServiceNow, Microsoft 365

- Created clear support content and proposed improvements to how teams organize, review, approve, and find internal information.
